BOARDING CONTRACT & SERVICES

At Bed & Biscuits Bushkill, we would love to welcome every dog, but for the safety and comfort of all our guests and staff, that isn't always possible. To ensure our environment is a good fit, all large breeds are required to complete a temperament and behavioral evaluation prior to their first stay. Evaluations may also be required for dogs of any size or breed at management's discretion. These evaluations help us assess each dog's temperament, behavior, and suitability for our boarding environment to ensure the safety and well-being of our dogs, guests and staff. We reserve the right to decline boarding accommodations based on the result of the evaluation. Evaluations may also require an overnight trial stay.
