Bed and Biscuits offers exclusive suites for the pampering of your pooch. All our suites are created to give your pet the feeling of home. They are spacious and equipped with beds, windows and doors. Each is individually decorated with a theme. We also have a dog bakery with all our biscuits, birthday cakes and cupcakes prepared on premise.

If your pet is socialized to play with others, their stay includes playtime during the days of Tuesdays through Saturdays where they can spend time out of their rooms in our play area, mingling with other dogs and our staff.
